About Ecopetrol

(Get Free Report)

Ecopetrol SA (NYSE: EC) is Colombia's state-controlled integrated oil and gas company and the country's largest oil producer. The company's operations span the upstream, midstream and downstream segments of the hydrocarbon value chain, including exploration and production of crude oil and natural gas, refining of petroleum products, transportation and storage via pipeline networks, and the marketing and sale of fuels and petrochemical feedstocks. Ecopetrol serves domestic demand in Colombia and maintains a portfolio of international investments and partnerships across the Americas.

In upstream activities, Ecopetrol focuses on exploration and development of onshore and offshore fields to sustain and grow hydrocarbon production.
