Ecopetrol Informs About A Sanction Imposed By CORMACARENA

2 weeks ago

BOGOTÁ, Colombia, Dec. 17, 2021 /PRNewswire/ — **Ecopetrol** S.A. (BVC: **ECOPETROL**; NYSE: EC), informs that the Sustainable Development Corporation of the Macarena Special Management Area CORMACARENA, through Resolution No. PS-GJ.1.2.6.21.2094 of 2021, imposed a fine of twenty monthly minimum wages to the Company due to the contamination of Caño Cacayal, caused by the discharge of wastewater from Station I of Campo Castilla. In the opinion of the authority, the discharge parameters allowed by environmental regulations might have been breached.

Although the sanction is a final decision within the administrative sanctioning process, it was issued outside the term that CORMACARENA had to exercise its sanctioning faculty, therefore **Ecopetrol**, although respects and accepts CORMACARENA's decisions and reiterates its commitment to comply with current legal environmental regulations, will file legal actions within the corresponding legal opportunity.

Ecopetrol is the largest company in Colombia and one of the main integrated energy companies in the American continent, with more than 17,000 employees. In Colombia, it is responsible for more than 60% of the hydrocarbon production of most transportation, logistics, and hydrocarbon refining systems, and it holds leading positions in the petrochemicals and gas distribution segments. With the acquisition of 51.4% of **ISA**'s shares, the company participates in energy transmission, the management of real-time systems (XM), and the Barranquilla – Cartagena coastal highway concession. At the international level, **Ecopetrol** has a stake in strategic basins in the American continent, with Drilling and Exploration operations in the United States (Permian basin and the Gulf of Mexico), Brazil, and Mexico, and, through **ISA** and its subsidiaries, **Ecopetrol** holds leading positions in the power transmission business in Brazil, Chile, Peru, and Bolivia, road concessions in Chile, and the telecommunications sector. This press release contains business prospect statements, operating and financial result estimates, and statements related to **Ecopetrol**'s growth prospects. These are all projections and, as such, they are based solely on the expectations of the managers regarding the future of the company and their continued access to capital to finance the company's business plan. The realization of said estimates in the future depends on the behavior of market conditions, regulations, competition, the performance of the Colombian economy and the industry, among other factors, and are consequently subject to change without prior notice.

This release contains statements that may be considered forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, and Section 21E of the U.S. Securities Exchange Act of 1934, as amended. All forward-looking statements, whether made in this release or in future filings or press releases or orally, address matters that involve risks and uncertainties, including in respect of the Company's prospects for growth and its ongoing access to capital to fund the Company's business plan, among others. Consequently, changes in the following factors, among others, could cause actual results to differ materially from those included in the forward-looking statements: market prices of oil & gas, our exploration, and production activities, market conditions, applicable regulations, the exchange rate, the Company's competitiveness and the performance of Colombia's economy and industry, to mention a few. We do not intend and do not assume any obligation to update these forward-looking statements.
