

Mining and energy companies had the highest profits last year

NEWS 24/06/2023 | Updated: 3 hours ago

 By Nation World News Desk

Ecopetrol, Cerrejon and Senit, the transport subsidiary of the state oil company, were the three most profitable companies during 2022. **achieving profits of \$33.41 billion, \$6.05 billion and \$4.58 billion respectively**. These three companies represent 32% of the total profits of Colombia's 1,000 largest companies, which generated \$137.32 billion in profits last year.

It is worth noting that in this case the information of the superintendent of companies presenting individual results was taken into account. **With this in mind, the profits of the 1,000 largest companies grew 40.8% over 2021 and represent 9% of the country's GDP (\$1.464 trillion).** One percentage point more than the representation of the previous year.
