**Ecopetrol SA (EC)** has released an update.

**Ecopetrol** S.A., Colombia's largest energy company, has secured a COP 1 trillion loan from local banks, approved by the Ministry of Finance and Public Credit, to fund non-investment expenses and manage existing financial obligations. The seven-year loan, with a two-year grace period and payments spread over ten semi-annual installments, demonstrates the financial sector's trust in **Ecopetrol's** strategic direction.
