Elon to Transform U.S. Economy?

A radical, potentially game-changing technology that threatens to destroy the trillion-dollar, "green energy" gift of the elites. And yet, while it threatens their wealth and power, it could be transformational for both the U.S. economy and your wealth.

[One company holds a near-total monopoly on it.](#)

Ecopetrol Company Profile [\(Get Free Report\)](#)

[Ecopetrol](#) SA operates as an integrated energy company. The company operates through four segments: Exploration and Production; Transport and Logistics; Refining, Petrochemical and Biofuels; and Electric Power Transmission and Toll Roads Concessions. It engages in the exploration and production of oil and gas; transportation of crude oil, motor fuels, fuel oil, and other refined products, including diesel, jet, and biofuels; processing and refining crude oil; distribution of natural gas and LPG; sale of refined and petrochemical products; supplying of electric power transmission services; design, development, construction, operation, and maintenance of road and energy infrastructure projects; and supplying of information technology and telecommunications services.
