Ecopetrol (NYSE: EC) has disclosed signing a confidentiality agreement with **Canadian gas producer Canacol Energy** in late August 2025. The agreement facilitates information exchange between the parties under legal safeguards but does not create binding obligations or commit **Ecopetrol** to any subsequent actions.

As Colombia's largest company and a major integrated energy player in the Americas, **Ecopetrol** controls **over 60% of Colombia's hydrocarbon production** and holds significant positions in petrochemicals and gas distribution. The company maintains international operations in strategic basins across the Americas and, through its **51.4% ownership in ISA**, has extensive presence in power transmission across South America.

hydrocarbon production, most transportation, logistics, and hydrocarbon refining systems, and it holds leading positions in the petrochemicals and gas distribution segments. With the acquisition of 51.4% of ISA's shares, the company participates in energy transmission, the management of real-time systems (XM), and the Barranquilla - Cartagena coastal highway concession. At the international level, **Ecopetrol** has a stake in strategic basins in the American continent, with Drilling and Exploration operations in the United States (Permian basin and the Gulf of Mexico), Brazil, and Mexico, and, through ISA and its subsidiaries, **Ecopetrol** holds leading positions in the power transmission business in Brazil, Chile, Peru, and Bolivia, road concessions in Chile, and the telecommunications sector.

This release contains statements that may be considered forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, and Section 21E of the U.S. Securities Exchange Act of 1934, as amended. All forward-looking statements, whether made in this release or in future filings or press releases, or orally, address matters that involve risks and uncertainties, including in respect of the Company's prospects for growth and its ongoing access to capital to fund the Company's business plan, among others. Consequently, changes in the following factors, among others, could cause actual results to differ materially from those included in the forward-looking statements: market prices of oil & gas, our exploration, and production activities, market conditions, applicable regulations, the exchange rate, the Company's competitiveness and the performance of Colombia's economy and industry, to mention a few. We do not intend and do not assume any obligation to update these forward-looking statements.
