Ecopetrol SA (EC +0.44% ▲) has shared an update.

Ecopetrol S.A. announced that it has entered into a confidentiality agreement with Canadian gas producer Canacol Energy in late August 2025. This agreement aims to facilitate information exchange under legal safeguards without creating binding obligations or commitments for future actions. The company reassures stakeholders that any significant activities requiring public disclosure will be communicated through official channels, ensuring transparency in its operations.

The most recent analyst rating on EC +0.44% ▲ stock is a Buy with a \$10.00 price target. To see the full list of analyst forecasts on Ecopetrol SA stock, see the EC Stock Forecast page.

### Spark's Take on EC Stock

According to Spark, TipRanks' AI Analyst, EC is a Outperform.

Ecopetrol's overall stock score reflects strong valuation metrics, particularly its attractive P/E ratio and high dividend yield, which

### Spark's Take on EC Stock

According to Spark, TipRanks' [AI Analyst](#), EC is a Outperform.

[Ecopetrol](#)'s overall stock score reflects strong valuation metrics, particularly its attractive P/E ratio and high dividend yield, which are significant positives. Financial performance is stable but challenged by high leverage and declining free cash flow. Technical analysis suggests a lack of strong momentum, and mixed earnings call sentiment highlights operational achievements but also financial pressures from external market conditions.
