An update from [Ecopetrol](#) SA ((EC)) is now available.

On February 5, 2026, [Ecopetrol](#) S.A. held an Extraordinary Shareholders' Meeting at which investors approved the full agenda and elected the company's Board of Directors for the remainder of the 2025–2029 term, in line with Colombian corporate law. The meeting confirmed Germán Ávila, Colombia's Minister of Finance, as chair of the assembly, appointed the elections and vote-counting and minutes review committees proposed by shareholders, and ratified a nine-member board slate combining independent and non-independent directors, with all resolutions passing by overwhelming majorities. The decisions consolidate [Ecopetrol](#)'s corporate governance structure for the current board term, providing continuity and clarity in oversight at a time when the state-controlled energy group plays a central role in Colombia's hydrocarbons, energy transmission and infrastructure sectors.

The most recent analyst rating on (EC) stock is a Sell with a \$12.00 price target. To see the full list of analyst forecasts on [Ecopetrol](#) SA stock, see the [EC Stock Forecast page](#).

Spark's Take on EC Stock

According to Spark, TipRanks' AI Analyst, EC is a Outperform.

[Ecopetrol](#)'s overall stock score is driven by strong technical indicators and attractive valuation, despite financial challenges and high leverage. The positive sentiment from the earnings call further supports the stock's potential, although caution is advised due to overbought technical signals.
