Ecopetrol signed contracts for goods and services for \$23.8 billion pesos to support projects and operations in different regions of the country during 2025, which represents an increase of 4.8% compared to 2024.

Contracting with local companies was distributed as follows: Central Regional: In the departments of Santander, Norte de Santander, Antioquia, Boyaca, Cundinamarca and Cesar, contracts were generated for \$1.59 billion, which is equivalent to 28% of the total.

Andina Oriente Region: in Puerto Gaitan (Meta), Huila and Putumayo, \$1.17 billion (20%).

Orinoquia Region: in Meta, \$1.01 billion (18%).

Piedmont Region: in Casanare and Arauca, \$600 billion (10%).

Caribbean Region: in Bolivar, Atlantico, Cordoba, Sucre, Magdalena and La Guajira, \$520 billion (9%).

In Bogota, the contracting of goods and services reached \$870 billion (15%).

Contracts signed with local suppliers include: equipment maintenance and repair services; integrated services; management support services; land freight transport and personnel transport, among others.

The result in contracting during the past year is due to the strategy of strengthening the supply chain by promoting regional development with local suppliers, to meet the demand for Ecopetrol's projects and operations.
