FAQ

What does EC ([Ecopetrol](#)) disclose in Triana Arias Bayron's Form 3?

The Form 3 discloses that EVP of Energy for Transition, Triana Arias Bayron, reports fund and 1,891 shares held with ownership described as "By Wife."

How many [Ecopetrol](#) (EC) shares are reported as held through a fund?

The filing reports 28,000 [Ecopetrol](#) common shares held indirectly through a fund. A footnote states the reporting person holds voting and investment control over this fund, clarifying that these shares are attributable to the insider for reporting purposes.

What indirect [Ecopetrol](#) (EC) holdings are reported as "By Wife"?

The Form 3 lists 1,891 [Ecopetrol](#) common shares as indirectly owned with the nature of ownership noted as "By Wife." This indicates the shares are attributed to the reporting person through a spousal relationship under SEC beneficial ownership rules.

Does the [Ecopetrol](#) (EC) Form 3 show recent insider buying or selling?

The Form 3 functions as an initial ownership report and lists indirect holdings, not new transactions. The available data classify these entries as holdings with unknown transaction codes, so it does not specifically record recent insider purchases or sales.

What role does Triana Arias Bayron hold at [Ecopetrol](#) (EC) in this Form 3?
