▼ Ecopetrol S.A. Overview - Oil & Gas Integrated / Energy

Ecopetrol S.A. operates as an integrated energy company. It operates through four segments: Exploration and Production; Transport and Logistics; Refining and Petrochemicals; and Energy transmission and Toll Roads Concessions. The Exploration and Production segment engages in the exploration and production of oil and gas. The Transport and Logistics segment is involved in the transportation of crude oil, motor fuels, fuel oil, and other refined products, including diesel, jet, and biofuels. The Refining and Petrochemicals segment refines and processes crude oil...
